

POP 'N' WORK

PORTABLE POP-UP SHELTERS

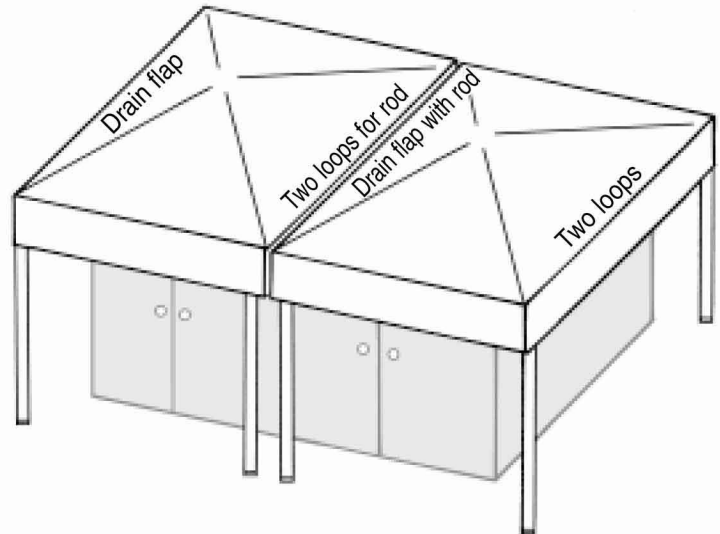

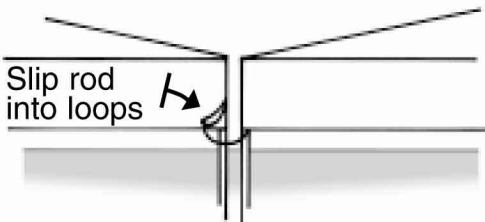

INSTRUCTIONS FOR CONNECTING TWO CANOPIES WITH SPECIAL DRAIN FLAPS

1. DRAIN FLAP

Position canopies over cabinet with loops and drain flap facing.

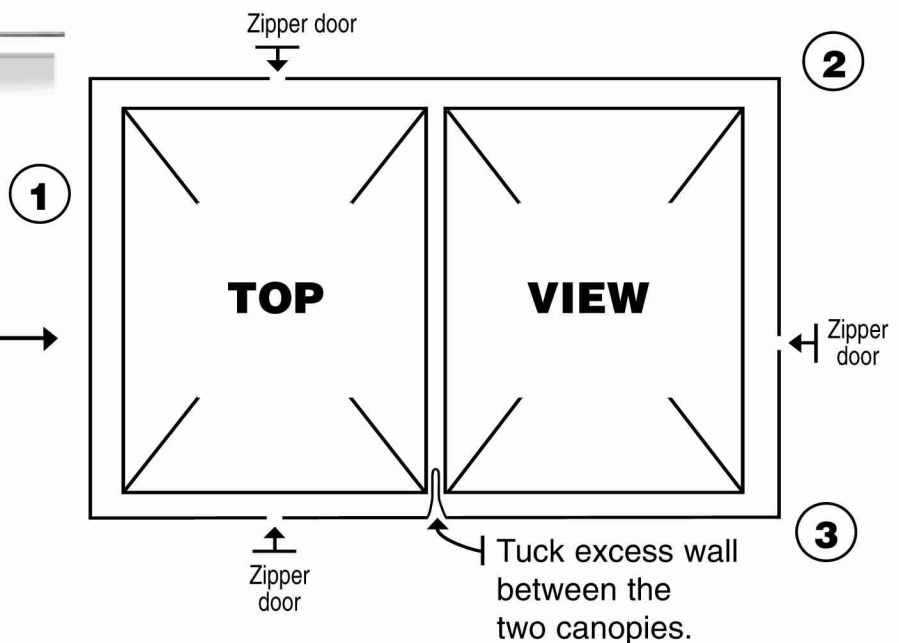

Use the rod to connect the flap over the top of a cabinet.

2. ATTACHABLE WALLS

Each canopy has two wall sections. Use only three sections when connecting two canopies. The three wall sections can be attached in any position that makes the zipper door locations convenient.
